## MEMORANDUM FOR THE RECORD

25X1A

SUBJECT: Contract GB-1965 - Telephone Call from [redacted] 15 July 1965

25X1A

1. [redacted] called on 15 July 1965 to point out that he was charging \$3,000.00 against FY-1966 funds and asked for my concurrence.

25X1A

I pointed out to him that [redacted] had conducted an extensive review of all memos made available to finance Contract GB-1965 and Contract GA-1853 both of which were with [redacted]. That review indicated that sufficient funds had been made available in years prior

25X1A

to FY-66 to cover all costs incurred against GB-1965 and GA-1853. I accordingly advised [redacted] that as far as I was concerned there were sufficient funds in prior years to cover these two contracts in accordance with the review made by [redacted] of OEL. I advised

25X1A

[redacted] that if he wished to charge the \$3,000.00 obligation against FY-66 funds it was completely within his purview and would make no difference to me.

25X1A

2. I notice that the signed copy of the pre-contract approval record returned from Headquarters has a note on it indicating the FY-66 charge was per an [redacted] telecon, 15 July 1965.
